

2 PEOPLE
TO INSTALL AND MOVE
8 MIN 35 SEC*

- Industry standard Gondola mover. Fits All shelves with an adjustable foot.
- Falcon 4; built-in lift mechanism eliminates pallet jacks, lever bars to lift gondola
- Fastest and easiest system to mobilize gondola fixtures
- Best used on medium to lightweight shelves
- Ensures shelving is mobilized the same way every time
- Falcon 4; 3" casters makes gondolas easy to move
- Falcon 4 Series 8; installed by 1 or 2 persons reducing manpower cost dramatically
- Insures shelving is not destroyed

Mobilizes fixtures below...

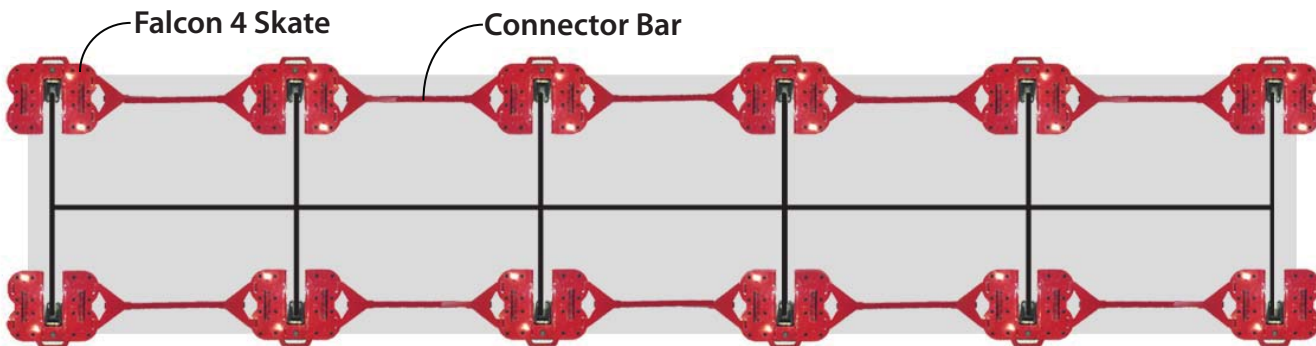

- Lozier 4" & 6" (Base Bracket)
- Madix 4" (Base Bracket)
- Kent 4" & 6" (Base Bracket)
- Ontario 4" (Base Bracket)
- Streater 6" (Base Bracket)
- With or w/o adj. foot and kick plates remove outward
